Term 2, Week 7, Thursday 8 June 2023

Important Dates to Remember

13.06.2023 - Production Dress rehearsal.

15.06.2023 - School Production

30.06.2023 - Last day of term two

Kia Ora e te whānau,

Welcome to new student Tasman Wilde who has joined Kowhai class.

Production

Not long to go now until our school production next week. If you have invited Grandparents to the morning performance could you please remind them to RSVP to the school office to give us an idea of numbers for catering purposes.

A google form was sent out earlier this week asking if your child/children will be staying at school on Thursday afternoon before the evening performance or if you are wanting them to come home on the bus as usual after school and will then return them to school for the evening performance. This form also asked for an indication of whanau who would use a bus for transport to the evening performance, parking will be very limited and we will not have parking available on the bottom field as it is very wet, so we are trying to limit the number of vehicles which will be on the road.

Dress rehearsal

If you are unable to attend the Thursday evening performance for production you are welcome to attend the dress rehearsal we will be having on Tuesday 13th June starting at 11.00a.m. If you have young children who you think may not cope with the evening performance you may like to bring them along to this rehearsal.

Samoa Language Week

Last week was Samoan Language. We were very fortunate to have a performance from a samoan cultural group which one of our students, Mil'e Matamua is part of. This was a great performance where our students got to experience (and be part of) some songs and dances which are part of the Samoan culture.

Library Competition

We recently held a library competition focussed on our school history. Students had to complete a questionnaire relating to different aspects of Oruaiti Schools' history. This related to learning students are currently doing in class this term looking at local history. The winners of the competition were: Beth-Ann Houtas, Logan Foster, Scout Arrowsmith, Marika Mendham and Molly Start. These students all received a voucher to spend at the Creamery in Mangonui.

Teacher Negotiations

Thank you for your support with our teachers paid union meeting last week. Having most students collected meant that we were able to manage those students who were not able to be collected.

Teachers have now voted to accept the last offer made to them by the government which means there will not be any further disruptions due to strike action for the next few years.

Netball

Our school netball teams have their first games this Saturday in Kaitaia. The draw for this week is:

Year 7/8 - court 3 - 10.50a.m.

Year 5/6 - court 6 - 10.50a.m.

Year 3/4 - court 3 - 9.30a.m.

Warm up for the games start 30 minutes before the game, so make sure you are there on time.

Thank you to all the whanau who have taken on roles as coaches, managers and umpires to enable our students to have the opportunity to play in this competition.

Term 2, Week 7, Thursday 8 June 2023

Kia Ora Doubtless Bay. LoudHouse is a new bi-weekly boxfit class run by two local lads starting next week at the Māngonui Hall.

Our kaupapa kicked off after we were looking at healthy ways to catch up and hang out with mates. This led us to boxing and from there, we pursued our passion by getting qualified to run boxfit classes right here in Doubtless Bay.

Our hope is to create a space where people can have fun, learn a more technical side to boxing, as well as getting a good workout.

You can also expect a lively atmosphere, good banter, and a welcoming environment.

We aim to kick start these classes next Wednesday (June 14).

Please refer to the poster for further details, times, days, and prices etc. and PM to book your spot. Limited spaces available.
