"In life we learn, in school we nurture the spirit for life" STRIVE ON

15th September 2025

Dear Parents & Community Members,
 Kia Ora Koutou Katou,

We have come to the final week of term 3, and the end is approaching fast! What an amazing term of learning across all our curriculum with many, many highlights and significant learning gains for many of our students.

Another highlight to celebrate was the return of our Mangatawhiri School Year 7&8 Sports Champions, who arrived back in time on Friday to come into assembly and show the many medals around their necks as well as the Fair Play Trophy. What an amazing week playing sport morning, noon & night! We are so fortunate to have staff willing to take on all the extra opportunities that we can offer. Thank you, **Laura Biggelaar & Tracey Weight**, along with **Aimee Whyte, Melissa van den Brink & Marcus Brears**, for staying overnight, as well as the many, many parents who went out daily to support and encourage the teams. On my arrival at camp on Thursday, I received compliment after compliment from other school parents and staff, saying how kind and friendly our children were and what amazing staff we had working with our students. Go Mangatawhiri!

We welcome **Adele Briggs** to our school team. Adele is supporting teachers and classes across the school due to some extra funding from the Ministry for learning support. We welcome **Kahler Campbell** (Sister to Fletcher, Piper & Miller) to Room 1. Lovely to have you join us, Kahler. Today we had a group of 6 staff from Hauraki Plains College visiting us. It was cool to show them how we do things at our school.

Job well done!

My very grateful appreciation and thanks to our team for making our school such a great place to be ~ **Jenna, Lorelle, Adele, Tamara, Rachael, Tracey S, Gail, Marilyn, Tania, Hayley, Richard, Kerrin, Tracey W, Laura, Sara, Stu, Susan, Alan & Lucinda** ~ you are the 'A' team in every sense of the word backed by a supportive School Board ~ **Richard, Larissa, Dave, Melissa, Nicole, Ellie & Tracey** we really are the 'A+' Team!

This week, our classes are putting their final touches on their class exhibits for Calf Club Day, and no doubt you will have busy households over the holidays preparing for our big show & tell first week back in term 4. Thank you for appreciating that Calf Club is a very

traditional and valued part of who we are as a school. Many, many people are working behind the scenes to make this huge event happen. From parents who have donated goods and services to farmers who have loaned out animals, to past families who continue to support us 100%, thank you for everything.

THANK YOU!

Have a great holiday break. Remember that daylight saving starts on Sunday, 28th September (a sure sign that better weather is on its way!).

We look forward to seeing everyone back, ready for a great start on Monday, 6th October.

EVENT SPOTLIGHT ~ NZ Principals' Federation Conference Wellington

I loved the Wellington pedestrian lights of haka and dance. I had a great time at the NZPF Conference. A high calibre of guest speakers, workshops, and opportunities to talk to other principals. It is always refreshing to step out of school and engage with the wider network of education professionals. It also reminds me of how grateful I am to love my job and love working at our school with the great team of teachers, staff, students, and families. Erica Stanford announced no further changes expected in 2026; however, as it is an election year, I am not sure we can guarantee that. Both primary and secondary teachers are underway with strike action, but I hope you realise that it is not just about more money, it is also about learning support and the need for greater resources in schools to assist with the diverse range of learners.

A strong start matters

Whether it's packing a nutritious lunch in a school bag or choosing the right feed for your calves, giving your young ones the best start is essential.

Like our tamariki, calves need the right balance of food, nutrition and care in their early years to grow and reach their full potential. Nutrinza's Mega Max Calf Starter and Mighty Max Calf Grower are specially developed to support the youngest members of your herd to thrive.

Start them strong with Mega Max Calf Starter
A unique calf feed designed to develop the rumen.

Then maximise growth with Mighty Max Calf Grower
Designed to do just that – grow healthy and strong calves and turn into high performing milkers. Nutrinza's cost-effective calf meal can be fed from day 4 to weaning. It has proven to be a very palatable feed and therefore increases intake quickly.

for every tonne
of calf feed purchased
Nutrinza will donate
