Why Roto?

Tradition and values woven into modern learning programmes

Learning focussed on student engagement and being responsive to our learners

Wide ranging opportunities for growth and achievement in leadership, culture & sport

Whaanau orientated, with close connections between teachers, students, family and community

A local curriculum connecting who we are with the world we live in, and a future we will be a part of

Bigger spaces, **Smaller** numbers!

Roto-o-Rangi School

AIM HIGH

A quality, vibrant rural school paddling towards a bright future

We are a vibrant rural primary school in the heart of the Roto-o-Rangi District, just a short drive from Leamington.

Maungatautari provides the perfect backdrop to our huge park-like grounds, with plenty of space for our tamariki to learn and grow!

Our school is a mix of rural and town students from years 1 to 6. We pride ourselves on providing high quality education, with a wide range of opportunities, whilst fostering a strong sense of belonging and whaanau.

Our teaching focus is on student engagement and developing academic, social and emotional needs.

Smaller class numbers enable our teaching team to truly get to know each individual student and connect with them in ways that spark their learning.

Our Values are a focal point of everyday life at Roto-o-Rangi, being incorporated in all aspects of our learning environment. We ask that every person in our kura adopts these values whilst they are here:

RESPECT/WHAKAUTE: Admire the good qualities of yourself and others. Behave in a way that shows you care about the feelings and well-being of others, and your environment.

RESPONSIBILITY/TAKOHANGA: Take care of others and your environment. Take ownership of your own behaviour and learning.

RESILIENCE/MANAWAROA: Take on challenges and bounce back from setbacks. It's OK to ask for help. Try your best, even when things are daunting or scary.

Enrolling with us is easy via our website, or you can pop into the school office for a paper enrolment form. We accept out of zone enrolments so please enquire about this.

Your child can start school with us as soon as they turn 5 years old - no need to wait for cohort entry.

Head over to our website **rotoorangi.school.nz** to find out more information about our school, and give our Facebook page a follow to see all the fun things we get up to at Roto!
