Meet the Teacher

Joanna joined the Roto-o-Rangi team at the beginning of 2026. We are excited about Joanna's enthusiasm and the adventures she takes her tamariki on!

"There is nothing more rewarding than sparking a lifelong love for learning right at the start of a child's school journey. Having begun my career in Early Childhood Education, I've always believed that the classroom should be a supportive, creative space where every day feels like a new adventure. For the past six years, I've loved teaching new entrant classes locally, and I am so excited to now be a part of the Roto-o-Rangi teaching team! For me, teaching is all about connection. I place a high value on building strong relationships with my students and working closely alongside whānau so we can support every child to reach their full potential."

Room 1 boasts a large diverse learning environment with an additional breakout space and their own bathrooms. Please get in touch with us about our flexible
